

# PROTECTING YOU AND YOUR CANNABIS TENANTS

## FUSE || INSURANCE

WESTERN CANADA'S CANNABIS INSURANCE LEADER

# Comprehensive Coverage for Cannabis Landlords

Fuse Insurance Ltd. and our A-rated insurer partners are ready to protect the cannabis industry, including the landlords, property owners, and tenants affiliated with them. Fuse understands the unique exposures that property owners and landlords face when leasing space for the production, sale and distribution of cannabis which is why we offer flexible insurance packages that correctly match your concerns. Fuse Insurance also provides complimentary risk management consulting services, so you can have confidence that your operations are secure.

Our bespoke cannabis policies mean you get the right insurance for your properties, underwritten by leading specialty insurance providers

Phased coverage tailored to your properties, including Commercial Liability, Commercial Property, Loss of Rental Income and more

Fuse Insurance's dedicated cannabis support team is here to help at any step along the way, from quotes to claims
