**WESTERN CANADA'S CANNABIS INSURANCE LEADER**

# Insurance For Canadian Cannabis Nurseries

Fuse Insurance Ltd. and our A-rated insurer partners specialize in protecting the cannabis industry, including those holding or applying for a nursery license to develop cannabis and hemp genetics to produce seeds, seedlings and clones. By offering robust yet flexible insurance packages, we can adapt and grow your policy to match your business at any stage, from construction, to start-up to full operations, saving you time and money. Plus, with Fuse Insurance's payment plan options, you can more easily manage your cash flow, letting you invest more into getting your business off the ground.

Our bespoke cannabis policies mean you get the right insurance for your nursery, underwritten by leading specialty insurance companies

Phased coverage tailored to your evolving business, including full Commercial Liability (CGL), Commercial Property, Course of Construction, D&O, and more

Fuse Insurance's dedicated cannabis support team is here to help at any step along the way, from quotes to claims
